Deputy Associate Administrator  
for Policy Development  
Office of Federal Procurement Policy  
726 Jackson Place, N.W., Room 9025  
Washington, D.C. 20503

Dear Mr. Clark:

In review of Office of Management and Budget Circular No. A-114 (Revised), dated March 20, 1985, we find it appropriate and within the spirit of the Circular for the Central Intelligence Agency (CIA) to be excluded from all provisions. As specified in paragraph 7.b., virtually all of our audiovisual activities are directly related to or in support of intelligence activities. Accordingly, it would not be in the best national security interest to contribute information to an audiovisual data base which may inadvertently disclose sources and methods used in the collection, processing, and dissemination of intelligence.

I would be pleased to provide additional information on our activities to a representative designated by you. If such a briefing is desired, please contact [redacted] Printing and Photography Division, Office of Logistics, CIA.

[redacted] can be reached on [redacted]

Sincerely,

[redacted]

Henry P. Mahoney  
Director of Logistics
